

SUMMARY

Interdisciplinary communicator skilled at distilling complex ideas into clear, actionable narratives. Bringing edtech co-founder, digital finance, and writing experience in mission-driven pivot. U.S. citizen currently in HK; open to relocation.

PROFESSIONAL & ENTREPRENEURIAL EXPERIENCE

CITIGROUP

Hong Kong

Digital Foreign Exchange Salesperson

2023–2025

- Managed FX sales relationships with institutional clients (e.g., hedge funds, insurers, corporates, and banks); expanded client pipeline and drove 700%+ YoY revenue for a key Chinese client through targeted sales coverage.
- Led Asia's first two digital bank conferences from conception to execution, curating 40+ speakers for ~150 C-level attendees across 10 markets, securing 6+ client acquisitions per event from ~50 players in this greenfield market.
- Owned daily analytics for 200+ North Asia digital FX accounts, applying behavioral analysis to optimize pricing strategies, leading to a 35% YoY increase in Spot product revenues.
- Identified \$5M+ in untapped annual revenues by analyzing market and trading-venue data (e.g., building VBA wallet-share models) and leading partnerships with third-party vendors to uncover client flow opportunities.
- Delivered integrated FX and payment products for regulators, airlines, and banks by aligning internal sales, tech, and product teams, and advising clients on FIX/REST API integration to streamline connectivity.
- Automated FX Options profit-and-loss reports with Qlik and VBA, reducing delivery lag by one week and enabling earlier risk reviews by trading desks.

Equity Sales Trading Analyst

2022–2023

- Developed and deployed a machine learning classifier achieving 80%+ training accuracy; the model was adopted by Citi's equity trading desk and remains in daily use.
- Delivered daily research, stock ideas, and market commentary to 100+ institutional clients across Asia, while automating 10 recurring market reports with VBA to save 20+ hours of monthly manual work.

BARTER Non-profit edtech

Remote

Co-founder, Product Manager, & GTM Lead

2020–2021 | Figma, Notion

- Spearheaded product development and go-to-market for a peer-learning MVP adopted at 6 universities, driving 250+ student signups and integrating with Brown University language courses for 100+ students.
- Led weekly design sprints and 3 user-feedback loops, refining UI, matching algorithm, and brand identity to boost active user engagement by 35%.

SELECTED PROJECTS & INDEPENDENT WORK

BOOKGRAPH (Network Recommender), Designer & Developer 2025 | SQL, Python | [Github](#) | [Substack](#) | [Writeup](#)

- Engineered a network recommender modeling taste proximity across ~10K books/6M ratings; implemented k-hop proximity and advanced similarity metrics (Jaccard, cosine, eigenvector) to visualize emergent clusters.

VARIOUS ART GALLERIES & JOURNALS, Editor & Writer

2020–2025 | Hong Kong & Providence, RI

- Managed editorial review for *A Priori: The Brown Journal of Philosophy*, overseeing 100+ selections; published 120+ pages of academic research; edited press releases for three contemporary art exhibitions.

VARIOUS EDUCATION CENTERS, Academic Consultant & Tutor

2018–2025 | Global

- Provided specialized admissions consulting to 30+ students, guiding successful admissions to Ivy+ universities and top boarding schools through coaching in analytical writing and application strategy.

EDUCATION

BROWN UNIVERSITY

Providence, RI

B.A. (Honors) in Philosophy, Economics (Double Major)

2018–2022

- GPA: Major 3.9 / Overall 3.8; Minor: Art History.
- One of three philosophy honors recipients; Omicron Delta Epsilon (international economics honors society).
